CONSCIOUS WELLNESS

Experience, Attraction, Reverence.

Our Wellness space breathes the essence of the Mediterranean, bringing awareness to the Ritual of well-being and health, to raise your energy and harmonise all the physical, mental and emotional systems of your body. We are committed to healthy skin and our soul connected to the planet thanks to SMELL THE PLANET.

Our rituals work on a vibratory frequency that sets out to cause inner rebalancing. The energetic synergy of 100% pure infused vegetable oils restores emotional and physical well-being. That is why we only use products from Biodynamic crops, manufactured during a Crescent Moon, 100% Vegan, cold Extraction, with D.O. Spain.
